Polish Heritage Award

Presented to

Gene Kirejczyk

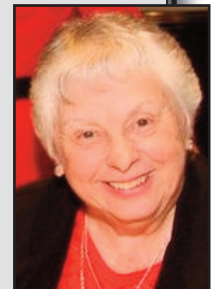

(Posthumous Award)

To honor his unselfish dedication to the Polish Center since its beginning, contributing spiritually, financially, and through service as the original Treasurer of the Board, with the renovation of the building and creating fundraising opportunities. Gene was someone who was always available

when needed and whose seat continues to be sorely missed.

Cindy Kirejczyk

To honor her devotion and commitment to helping create the Polish Center and keeping Polish culture and tradition alive for future generations. Cindy supported Gene's efforts but also independently worked to build the Polish Center into the premiere museum and cultural center it is today.
